One - Week Faculty Development Programme on "Advanced Pedagogy and Classroom Delivery Enhancement Techniques in Higher Education"

31st March to 05th April, 2025

Organized by
Narangi Anchalik Mahavidyalaya, Narengi
In ssociation with
E&ICT Academy, IIT Guwahati

Course Objectives

- The capsule is designed with multiple perspectives of student management procedure. It aims at a holistic approach of NEP guidelines that shall equip academicians with versatile elements of classroom delivery acclimatizing with UGC laid Graduate Attributes.
- The academicians shall be trained with Transactional Analysis and Analysis of Strokes to make them aware of ways of handling Adolescence beyond navigating an established Curriculum.
- The design aims at self-introspection of teachers to map the gap and thereby bridge the loopholes through Effective communication and listening skills through the Shanon and Weavers Model of Communication.
- This FDP framework shall help teachers identify their personality Traits through DISC Analysis techniques with which they shall realize the needs for transformation and ways to be a prolific teacher in the system.

Course Outcomes

- The learner will get to know life skills and its importance in higher education, the role and expectations of teachers and necessary skills and approaches for continued professional developments.
- Teaching & learning methods, platforms, tools, and resources
- Identify reasons of why mentor mentee relationship remains with a gap
- Various tips will be covered to identify techniques of better mentoring interdepartments.
